Pectis ciliaris L.

SFB

Flowers yellow; herb of grasslands

Hillslopes, vicinity of Rio Arriba del Norte, north of San Juan.

Coll. R. A. & E. S. Howard 8874 Sept. 9–14, 1946

Howard 8113

Dorstenis sp.

This cant be too different from D. domingensis but the description will not quite match. We have very little material in the U.S. National Herb. of this genus and none of which even comes within a mile of your no. 8113.
